

NORTH CAROLINA

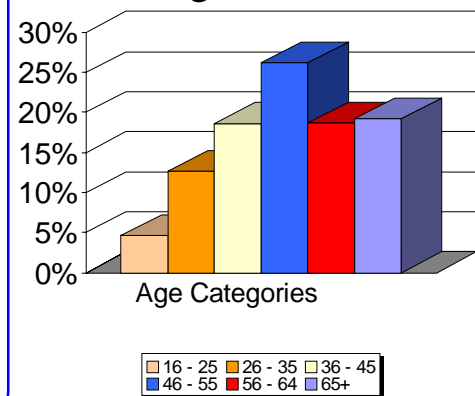

Results from the 1997 Southeast Socioeconomics Marine Angler Survey*

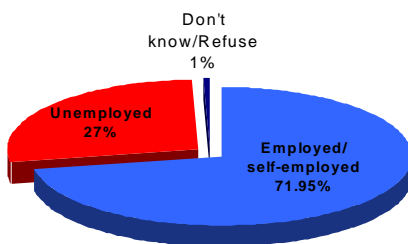

Facts about the Anglers:

- § About 44% of the North Carolina anglers surveyed own a boat used for recreational saltwater fishing.
- § The anglers surveyed spent on average \$344 per day on boat fees when fishing on a party/charter or rental boat.
- § Travel and lodging expenses averaged \$214 per trip for anglers interviewed on multi-day trips.
- § About 15% of anglers surveyed who were employed gave up some income by taking a day of fishing. The average income "missed" was around \$252 per trip.
- § The anglers surveyed who live in-state have been fishing an average of 19 years.
- § About 17% of the anglers surveyed were women.
